

Matthew Rabah

Customer Success Operations · Implementation · CRM

Detroit, Michigan | rabah.matthew@gmail.com | mattrabah.com | LinkedIn

Customer success operations leader with 8+ years across healthtech, retail, and consulting. Experience in account health scoring, implementation, scaled customer engagement, and CRM process design. M.S. in Customer Experience Management.

EXPERIENCE

Cadence Lab | Customer Success Consultant

Sep 2024 - Present

- Redesigned customer lifecycles for six clients, improving early adoption and repeat engagement by an average of 14%.
- Reworked sales-to-service handoffs with Salesforce workflows and onboarding standards, cutting time-to-value 18%.
- Built customer health frameworks and HubSpot lifecycle automations; the automations saved each team member four hours per week.

Shinola | Customer Experience Manager

Aug 2022 - Sep 2024

- Directed customer experience for the Detroit flagship and a corporate portfolio generating \$8M in annual revenue.
- Segmented 1,100+ accounts in Salesforce, increasing CRM-driven outreach from 32% to 86%.
- Reworked service workflows and customer handoffs, reducing escalations 35%.

NeuroSync | Customer Success Manager

Apr 2019 - Jun 2022

- Managed implementation across 32 clinical accounts, from stakeholder alignment and configuration through training and first-90-day support.
- Maintained 95% customer retention over three years; active product usage increased from 45% to 72% after rebuilding onboarding around clinical workflows.
- Hired, managed, and coached three account executives and developed the lifecycle and adoption playbook.

NeuroSync | Account Manager

Mar 2018 - Apr 2019

- Managed 18 clinical sites across multiple territories and established customer relationships that supported consistent implementation handoffs.
